

A photograph of three people (two men and one woman) kayaking on a lake. They are all wearing life jackets and holding paddles. The woman in the foreground is smiling broadly. The background shows a lake, green hills, and a blue sky with white clouds. The image has a dark green overlay in the bottom right corner.

Bestway

ANNIVERSARY
1994 — 2024

Three decades ago, Bestway created its very first product: a beach ball!

Since then, Bestway has produced over **1,100 products** in more than **120 countries** worldwide. In fact, 1 in 50 people around the world owns a Bestway product.

From our commitment to **innovation** and assuring the highest **quality** possible, to our vertically integrated manufacturing systems and **sustainability** efforts, every product Bestway creates centers on one goal: to help our customers get the most out of life by enjoying more adventure and making more memories.

Here's to the first 30 years, and to many, many more as we help people "**Live It Up!**"

OUR VISION & MISSION

Our Vision has remained the same since we created our very first product – a simple beach ball – in 1994: to create high-quality, innovative, recreational products that bring fun, relaxation and adventure to people's lives. Behind that vision is our mission to create memorable experiences for families who want to splash into summer, relax in winter and make the most of every moment year-round.

Now over 30 years later, **Bestway** has forged a global presence in more than 120 countries by developing over 1,100 products and becoming forward-thinkers about sustainable business practices.

SERVICE

Bestway is committed to customer satisfaction and providing you with the best product solutions. Our advanced online services and customer service team allow customers to easily resolve issues that arise with their products, offer downloadable manuals and instructional videos, answers to their frequently asked questions and call support.

WHAT'S NEW AT BESTWAY

In 2020, Bestway opened our doors to a **new, clean, state-of-the-art manufacturing facility in Vietnam** in an effort to diversify our production capabilities globally. With rapid plans for expansion, this new facility offers additional tariff-saving opportunities and flexibility in Bestway's global manufacturing efforts.

Our Vietnam facility currently manufactures air mattresses, air pumps, pool filter pumps, inflatable pools, pool covers and trampolines. These products go through extensive PVC, lab and lifecycle testing to ensure high-quality and longevity.

B THE CHANGE MISSION

Our Commitment to a Better Future

As a leader in innovations, Bestway is striving to **B the Change** in the industry. We manufacture our products in 1,383,000 square feet of factory buildings, each covered in solar panels to equal about 40 soccer fields. As an annual recipient of the "Top Performing Supplier on Climate Action" award, we continue to drive sustainable practices forward through three main categories: **renewable resources, waste and packaging.**

Ongoing Energy Reduction Projects to Reduce Emissions

Reuse 38 Categories of Materials

BRAND UPDATE

LOGO

2018 - 2024

2025 - PRESENT

PACKAGING

The new Hydro Force® has arrived! With a re-imagined logo and more modern design, our new branding feels both sporty and premium. We placed great emphasis on individual and unique features as well as updated photography to make a consumer feel both knowledgeable and inspired by our products.

*SUP packaging to be updated in 2026.

OLD PACKAGING

NEW PACKAGING

OVERVIEW

LOGO

An updated, modernized logo and landmark

PHOTO CALLOUTS

A clear visual of the individual product features

UNIFIED COLOR SCHEME

Declutters the brand and provides a sleek, modern look to our packaging

DYNAMIC HERO IMAGERY

Lower angle with background scenery for a more aspirational feel

DARK BACKGROUND & WAVE TEXTURE

Creates a sharp, high-end foundation to elevate the product imagery, callouts and features

PRODUCT CATEGORY

Brief description of product level and usage for more informed consumer buying decision

PRODUCT CATEGORIES

RECREATIONAL

Wide shape for balance in a variety of water conditions

TOURING

Narrow shape cuts through water to quickly cover long distances

WHITewater

Designed for efficient maneuverability and spray protection in rough water

FISHING

Spacious design with enhanced stability and added fishing features

SEEK YOUR ADVENTURE

BOARDS

Stand-up paddleboarding (SUP) has become incredibly popular across the globe, and with a wide variety of Hydro Force® boards to choose from, there's a board for everyone. The engineering team at Bestway® creates boards for both beginners and experienced riders to explore. Each board is crafted, fine-tuned, and ranked for overall maneuverability, tracking, stability, and speed. Year after year, Hydro Force® continues to rule the SUP lineup!

BENEFITS

Bestway's inflatable SUP line offers all the advantages that come along with hard boards, plus these added benefits:

- **Easy to transport in a car or on a plane** — a true money saver, as there is no need to purchase a roof rack or pay expensive shipping costs
- **A great choice for beginners** — the thicker material is generally more stable than a hard board
- **Sold as a package deal** — everything that's needed is included in one lightweight, grab-and-go carrier
- **Tough and springy** — the flexible material is more resilient than a hard board

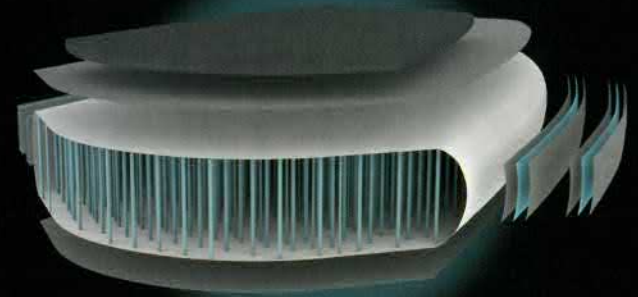

Ease and portability make an inflatable SUP the ultimate board, especially for beginners. Some models even come with a convenient kit to convert the paddleboard into a kayak, giving the user two options every time they cruise the open water. With a Hydro Force® SUP, anyone can have a summer of adventures.

TECHNOLOGY

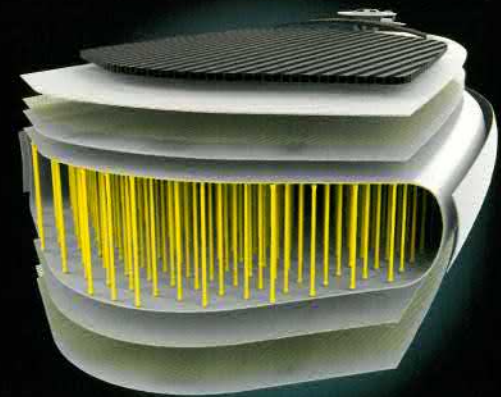

PVC LAMINATED FORTIFIBER™

FortiFiber™ drop stitch construction consists of internal threads that create exceptional rigidity and strength for a balanced and stable ride

TRITECH® LAMINATED FORTIFIBER™

The strength and stability of FortiFiber™ drop stitch construction is made even stronger with triple-layer Trittech® exterior walls that provide added structure and shape

FEATURES

CONVERTIBLE/ KAYAK SEAT

Includes seat and footrest, plus convertible paddle, for use as SUP or kayak

PANORAMA WINDOW

- Open cover to see the water below
- Close cover during rougher water conditions or to prevent glare from sun

TRAVELTECH™ DESIGN

Folds horizontally and vertically, for 40% more compact structure than traditional inflatable boards and comes with a compact backpack for easy transport

PLANOGRAM STORE DISPLAY

YOUR ADVENTURE AWAITS

BOATS

A lightweight and durable option for dedicated boaters, the Hydro Force® line of sport boats provides an easy and convenient way to get on the water. From floating along to fishing excursions, these boats are made of durable materials that will hold up season after season. This collection provides the storage and portability benefits of inflatable products, along with the durability and capability of hard-sided boats.

ENHANCED MATERIALS

**INFLATA-SHIELD™
MATERIAL**

Inflata-Shield™ is a puncture resistant material that provides our lounges and islands with:

- An extra strong barrier that holds up against rocks and sharp objects
- Increased tensile strength limiting stretching and allowing for greater rigidity
- Embossed texture to enhance products' grip

**COLOR
SHIELD™**

Color Shield™ protective layer prevents the color printing from transferring onto skin when wet. Plus, it also keeps the colors bright and vibrant for use summer after summer!

49 in. / 124 cm

FEATURES

1. 3-section structure
2. Easy to assemble and disassemble
3. Ribbed blade
4. Light and strong plastic material

SPECIFICATIONS

CASE PACK	12 prs
LB. (KG)	28.9 lbs (13.1 kg)
PACKAGING	Polybag with header card

PREMIUM OARS

62064/E

LENGTH

57 in. / 145 cm

FEATURES

1. Multi-functional
 - Use as two 57 in. (145 cm) oars
 - Combine and use as a single 86 in. (218 cm) twin blade paddle
2. Aluminum pole sectionals
3. Sturdy twist-locking section connectors and blades

OPTIONAL
ASSEMBLY

AIR STEP™ MANUAL AIR PUMPS

62147/E 300ML

FEATURES

1. 5 in. / 13 cm
2. Stroke volume: 0.3 L/cycle
3. Easily switches from inflation to deflation
4. Flexible hose
5. Two-color design
6. Large air chamber for rapid inflation
7. 3 valve adaptors to fit nearly every inflation valve
8. Designed to provide maximum airflow
9. Polybag with header card

SPECIFICATIONS

CASE PACK	36 pcs
