OUR *Mission*

Bestway is on a mission to bring the fun to every household in every country worldwide. We help our customers get more out of life and make lasting memories in all seasons through our dependable, affordable and innovative recreational products. We want everyone to "Live It Up" as our global tagline reflects.

OUR vision

Bestway® is dedicated to helping everyone Live It Up and enjoy vacay every day with its outdoor and indoor recreational products.

Our vision began with a simple beach ball and has transformed into more than 1,100 different products available in over 120 countries worldwide.

With over 30 years in the industry, Bestway has forged a global presence, developing an extensive product line and becoming forward thinkers about sustainable business practices.

GLOBAL *factories*

Bestway® is poised for sustainable, global growth. From wholly owning its 5 factories - 4 in mainland China and 1 (soon to be 2) in Vietnam - to actively reducing and reusing waste and focusing on production efficiency, Bestway's strategic focus on an end-to-end manufacturing and distribution process results in faster delivery, superior product quality and the highest levels of customer satisfaction.

With the addition of its state-of-the-art, 233,000 square meters manufacturing facility in Vietnam, Bestway is primed for exponential growth while providing tariff savings and manufacturing redundancy while enhancing global shipping and supply chain support for many years to come.

OUR COMMITMENT TO A *better future*

As a leader in innovations, Bestway is striving to **B the Change** in the industry. We manufacture our products in 1.8 million square meters of factory buildings, each covered in solar panels to equal about 40 soccer fields.

As an annual recipient of the "Top Performing Supplier on Climate Action" award, we continue to drive sustainable practices forward through three main categories: **renewable resources, waste and packaging.**
