## AIRBEDS & FURNITURE

COLLECTION

# WELCOME

Bestway has experienced much development and growth over the past decade. The benefits of our vertically integrated factories, global sales network and after sales support services have dramatically amplified our reputation amongst both retail and corporate customers. This has in turn made the Bestway brand name into a globally recognized producer of premium products. We eagerly welcome new customers to become part of the Bestway family and sincerely trust that by teaming with Bestway, you will benefit from the dedication and excellence we apply to the creation of each and every product.

# CUSTOMER SERVICE SUPPORT

Provide your customers with quality products and the advanced customer service support they deserve. Bestway's Internet services and Centers facilitate customers to easily resolve issues that arise with their Bestway products. Our multilingual website, [www.bestway-service.com](http://www.bestway-service.com) is a knowledge base that offers downloadable manuals, instructional DVDs, along with FAQs and the ability for customers to order spare parts. Regional Centers provide the added dimension of support for those unfamiliar with computers or unable to find specific answers to their questions.

# COMFORT CELL TECH™

Introducing **Comfort Cell Tech™** by Bestway®, the latest engineering innovation in portable sleep solutions.

Utilizing **state-of-the-art polyester mesh** material to create its advanced **I-Beam construction**, Bestway® airbeds deliver the comfortable, supportive sleep experience of a traditional mattress. While standard PVC beams stretch under pressure, Bestway's **Comfort Cellbeams hold strong**, maintaining their shape and integrity. These rigid fibers dramatically improve **durability and comfort** for an amazing night's sleep.

Bestway's **Comfort Cell Tech™** airbeds are easy to use - **They're perfect at home or on the go!**

STANDARD PVC BEAMS  
stretch under pressure.

COMFORT CELL TECH™  
I-BEAMS  
hold strong, maintaining  
their shape and integrity.
